

Giant Scalextric

The game may start in the minds of players as "just a bit of fun" but usually turns into serious sport. The PGS Team have selected and developed equipment to ensure the game is as fair as possible. A fact greatly appreciated by players who put their heart and sole into the competition.

How is a fair game achieved? The scoring system and rules are a big factor but the design of the track is also important. Our 6-lane and 8-lane competition tracks are specially built to club racing specifications. Free from car de-railing bumps and intermittent power supply faults common with popular makes of track. Sharp bends can be very frustrating for novice drivers as the cars will leave the track easily. Our tracks have gentle turns even on the inside of an eight-lane circuit. Only specially built tracks can offer this. Figure eight design permits equal lane length.

Players will enjoy competition controllers featuring smooth braking and acceleration. The PGS Team have a team of skilled staff to run this event. A referee equipped with P.A. radio microphone and the computerized scoring system can make sure the players get the most out of the event. We have a number of formats to suit the situation; structured games, informal parties or team building.

Setting-up tracks at venues takes about 1hr although an extra 1hr is generally allowed for contingency. Packing away takes about 40min. Equipment will fit in all but the tinniest lift so events can be held on any floor. If flights of stairs are unavoidable prior notice is appreciated. Extra staff are sometimes necessary carry the equipment.

"I just wanted to write to thank you for a very motivating team building event, everyone has returned to work really inspired and ready for action. I have no doubt this will also have a big impact on the team communication and performance, it was absolutely spot on and we look forward to working with you and your team again soon".

**David Sumner Regional Director,
Lloyds TSB Business Development**

"I wanted to thank you for pulling together what was an excellent day yesterday. It matched the brief perfectly and everyone really enjoyed the day. The evening meal was great as was the music and entertainment. Please pass on my thanks to everyone involved."
