

Fully Funktional

Fully Funktional are widely regarded as the best party band in the UK

They have worked their way up to becoming one of the most 'go to' bands in the UK, with an industry-wide reputation for ensuring high-energy, funky and fun performances with good humour and good looks!

From corporate events and product launches to big sporting events, - they can offer a self-contained package for more intimate venues, or for larger events. They are easy to get along with (not a diva in sight!), and will always work with your ideas and themes while delivering the best they have to give!

A bunch of musicians who stand & politely go through the motions - they are definitely not! If you want to see horn players starting a conga-line, a guitarist soloing from a tabletop, singers serenading people even outside the room then this is the band you need to book.

Fully Funktional will wow you musically & exhaust you visually!

They have performed at Corporate events in Bangkok, Mauritius, Montreux, Barcelona, for Microsoft in Istanbul, Le Meridien in Dubai, Intercontinental and Shangri-La in Oman, Geopost in Rome, British Chamber of Commerce in Shanghai, Royal Ascot (annually), King George Day, Shergar Cup, The Maldives for The One&Only group and Sheraton, weddings in Lake Como, Dublin, Lyon, Prague, Venice, Cyprus for the British Forces, supporting Madness at the Cardiff International Arena, supporting the 80s revival featuring Rick Astley, Howard Jones, Katrina & The Waves, Bananarama, Midge Ure & many others.

Plus they have performed at hundreds of year round events in the UK at venues including virtually every hotel on Park Lane, Blenheim Palace, Hever Castle, Center Parcs, Dunston Hall, Leicester Tigers Stadium, Watford FC, Fulham FC, Pennyhill Park, Twickenham Stadium, Wembley Stadium, Wentworth Golf Club, Hatfield House, Luton Hoo, Kew Gardens, Botleys Mansion, Beaumont Estate, Guildhall, Whittlebury Hall, Silverstone, Great Fosters, Gleneagles to intimate hotels, houses, converted barns & marquees in every corner of the land!
