

The Bigger Picture

Suitable for 10 to 100 people

Strong teamwork and communication are absolutely key to this event, and if those particular skills are currently a little rusty amongst your workforce they certainly won't be by the end!

In your initial briefing the team will be shown a Picasso painting for a few minutes and then must recreate it.

Each team will reproduce a section of the painting relying on their team communicator to convey the bigger picture.

The event will conclude with all teams joining their work together to reveal the finished masterpiece, their teamwork of art!

"I just wanted to write to thank you for a very motivating team building event, everyone has returned to work really inspired and ready for action. I have no doubt this will also have a big impact on the team communication and performance, it was absolutely spot on and we look forward to working with you and your team again soon".

**David Sumner Regional Director,
Lloyds TSB Business Development**

"I wanted to thank you for pulling together what was an excellent day yesterday. It matched the brief perfectly and everyone really enjoyed the day. The evening meal was great as was the music and entertainment. Please pass on my thanks to everyone involved."
