

Drumming Workshop

Suitable for 10 to 6000 people

Drumming sessions can cater for groups of all ages, all sizes and all abilities. We bring along facilitators, drums and percussion to add energy to any conference, team building event, celebration, product launch, awards dinner, training program or party.

By providing everyone with a drum to participate and with results that will astound everybody involved, this interactive process is stress relieving, breaks down barriers and has a great unifying and team building effect. Our Drumming Workshop is truly unforgettable.

"I just wanted to write to thank you for a very motivating team building event, everyone has returned to work really inspired and ready for action. I have no doubt this will also have a big impact on the team communication and performance, it was absolutely spot on and we look forward to working with you and your team again soon".
