

Suitable for up to 500 people

# Haka Workshop

Bring your event alive with a performance of the Haka Ka Mate, the Maori posture dance made famous by the New Zealand national rugby team - The All Blacks.

Haka workshops are ideal for corporate or community events, bringing alive the idea of facing new challenges, working as a team or celebrating achievements.

Participants see this vigorous and powerful Haka performed before learning the words and actions and later performing Ka Mate with their colleagues.

Definitely a dynamic team builder and exciting conference motivator.
