

# Fraser Penman

West End star. Britain's Got Talent Semi-Finalist. Over 10 million social media views. Performances in front of audiences of 3,000+ at legendary venues including the Eventim Apollo in London and the Blackpool Winter Gardens. Fraser Penman is one of the most talked-about new names in live entertainment - a modern Scottish albino stage hypnotist redefining an age-old art for a new generation.

In 2026, Fraser captivated millions globally as a Semi-Finalist on Britain's Got Talent before being cast by Lionsgate as the guest hypnotist in Now You See Me Live, described as the world's biggest live illusion show, at the iconic London Coliseum in the heart of London's West End.

Known for his striking and unforgettable look, cinematic stage presence, and emotionally powerful performances, Fraser has rapidly built a loyal global audience with over 10 million online views and a fast-growing social following. His unique appearance and modern approach to hypnosis have helped him stand out as one of the most distinctive new performers in the industry today. His work has led to collaborations with celebrities, comedians, influencers, and pop stars, alongside appearances across ITV, BBC, and major UK media outlets.

Blending hypnosis, psychology, storytelling, humour, and imagination, Fraser creates experiences that go far beyond entertainment, leaving audiences inspired long after the show ends. His performances have wowed audiences across the UK and internationally, including multiple sell-out runs at the Edinburgh Festival Fringe, the world's largest arts festival, while continuing to attract attention from major names across the entertainment industry.

Praised by Simon Cowell for his "amazing stage presence" and "looking like a movie star," while KSI told him, "You have superpowers, bro," Fraser has quickly established himself as one of the most unique and exciting live performers emerging in the UK today.

## **The Experience: This is not a traditional hypnosis show!**

Fraser delivers a modern, high-energy theatrical experience that combines live hypnosis, emotional storytelling, audience interaction, and jaw-dropping demonstrations of imagination and human potential. At the heart of every performance is one powerful message:

*"If you can see it in your imagination, anything is possible."*

Family-friendly, empowering, hilarious, and deeply engaging, Fraser's performances are designed to make audiences feel something real - creating moments of wonder, laughter, belief, and connection that stay with people long after the curtain falls.

**This is stage hypnosis reimagined for a new generation.**
